**VALIDATION DECISION  
TITLE MODIFICATION**

We have completed our validation of your application for the modification to the title of your **Theatre Arts - Production** program to **Theatre Arts - Performance**, which was submitted to us on **April 2<sup>nd</sup>, 2015**. The credential conferred on successful completion of this program will remain as an **Ontario College Diploma**.

Please accept this as our validation of your request. After a review of the documentation submitted, including a review of the program-level learning outcomes, and a review of the current usage of this terminology with existing programs in the system, it was determined that the proposed title would be validated. It is understood this modified title can be effective for the program as of **September 2016**.

Please note the existing MTCU code **51911** and the current APS Number **FANS 01233** will not change for this program.

I have sent a copy of this validation decision to the **Colleges Unit, MTCU** for their information and records.

Sincerely,

**Karen Belfer**
